Studies

Oct 2020 / Master in Digital Experiences - BAU in Barcelona
Master's degree focused on building a better customer experience. It covers CX strategy, experience design, front-end development, and digital business.

May to June 2020 / UX/UI Designer UXER School in Barcelona
A two-month online course dedicated to learn UX/UI design. I learnt how to do research, how to use the most commonly used tools and methods such as personas, customer journeys, and interviews; the process of analysing the data and get insights, how to make wireframes, some aspects of branding in design, and testing.

Sep 2018 to Sep 2019 / Master in Translation Studies - UPF in Barcelona
Master's degree focused on getting a general view of the different types of specialisation on translation. Mainly audiovisual, humanistic, and legal translation, plus project management.

Oct 2017 to May 2018 / French studies - Institute Campus Langue in Paris
I spent a year in France on a working-holiday visa where I studied French.

Mar 2013 to Jul 2017 / Bachelor's Degree in Translation Studies - PUCV in Valparaíso, Chile
This was a licenciatura that lasted four and a half years. I studied English to Spanish translation, mainly technical and scientific translation.

Work experience

May 2019 - Jul 2019 Center for Learning Innovation and Knowledge - Barcelona
My internship during my master's degree. Mainly translation from Catalán to Spanish and English.

Oct 2015 – Nov 2015 Niebla Games, Valparaíso, Chile.
A side project I worked on during my Bachelor's degree. Mainly the localisation of the website of an online card game.

Nov 2016 - Mar 2016 UMDU - Pontificia Universidad Católica de Valparaíso, Chile.
My internship during my Bachelor's degree. Mainly the translation from English to Spanish of teaching material regarding education.

Skills

As a translator, I have a great deal of written and oral skills, as well as, communication and management skills. I have also acquired a set of skills since embarking in the world of user experience design that are useful in any given situation. My level of expertise in each one is constantly growing.
